<p>TO: Chief, SR via Chief, KR</p> <p>FROM: REDWOOD REDSKIN AERODYNAMIC</p> <p>SUBJECT: Forwarding of ARCAHOWANY/29 Reports</p> <p>ACTION REQUIRED: REFERENCES</p> <p>DIR-43746</p> <p>FY2</p> <p>1. In line with paragraph 1 of reference, we are forwarding under separate cover copies of ARCAHOWANY/29's reports on his debriefing of ARCAHOWANY/34's mother, following her emigration from Lvov. You will note that she was a productive source of information on persons who might be incipient leads. None has as yet been developed by Headquarters in any way. Your attention is called to these people in the immediate context of reference operation, but the information will also be useful in giving purpose to your search for other REDSKIN travelers.</p> <p>2. Your attention is called particularly to the subject of paragraph 4.d. of Report I (page 4) and of page 7 of Report II. This person appears particularly to merit further assessment. Incidentally, the nuclear physics installation in Moscow mentioned at the end of paragraph 4.d. of Report I checks out.</p> <p>3. You will appreciate that Headquarters wishes to retain its control over any activities involving contact with the persons in question, and there should not be any operations begun for the purpose of contacting them without specific approval from Headquarters after submission of an operational plan. It is quite possible that in the future an occasion could arise wherein a Headquarters-run operation (or one from another base) would present a better capability than subject of reference or other agent candidates you might turn up.</p>
